

Adeia Renews Multi-year IP License Agreement with Paramount

February 27, 2024

SAN JOSE, Calif., Feb. 27, 2024 (GLOBE NEWSWIRE) -- Adeia Inc. (Nasdaq: ADEA), the company whose patented innovations shape the way the world explores and experiences entertainment, today announced that Paramount has renewed a multi-year license agreement for Adeia's media intellectual property (IP) portfolio.

Paramount+ continues to be one of the fastest growing streaming services and in the third quarter of 2023 Paramount+ reported over 63M subscribers.

Beyond its strong subscription operations, Paramount is also well positioned in the ad-supported sector of streaming video. Pluto TV, the company's free ad-supported TV (FAST) service, remains a global leader in FAST.

"The mix of subscription and advertising-based streaming services offered by Paramount provides consumers with an array of options for engaging with digital entertainment in a constantly changing economic landscape," said Dr. Mark Kokes, Adeia's chief licensing officer and general manager, media.

"This renewal reflects our companies' shared commitment to providing high-quality digital experiences across the diverse video-streaming ecosystem," said Kokes.
