FOR IMMEDIATE RELEASE

XPERI HOLDING CORPORATION ANNOUNCES SECOND QUARTER 2021 RESULTS

San Jose, Calif. (August 3, 2021) – Xperi Holding Corporation (Nasdaq: XPER) (the “Company”, “Xperi” or “we”) today announced financial results for the second quarter ended June 30, 2021.

“We delivered strong second quarter revenue and earnings driven by certain deals closing earlier than expected and some expenses shifting to later in the year, increasing our visibility to achieve our full year financial outlook,” said Jon Kirchner, chief executive officer of Xperi. “Importantly, we continue to make progress on each of our key initiatives in our IP and product segments, and we believe we are increasingly well positioned for growth in both segments.”

Second Quarter 2021 Financial Highlights:

- Revenue of \$222.3 million.
- GAAP loss per share of \$(0.01) and non-GAAP earnings per share of \$0.61.
- Cash Flow from Operations of \$56.3 million.
- Adjusted Free Cash Flow¹ of \$56.7 million.
- Paid down \$50.6 million in debt and repriced remaining debt to lower future borrowing costs.
- Bought back \$10 million of common stock.

Second Quarter 2021 Business and Recent Operating Highlights:

IP Licensing Business

- Renewed and extended license agreement with Google.
- Renewed and extended license agreement with Fox Corporation.
- Renewed and extended license agreement with one of the leading Canadian Pay-TV operators.

Product Business

Consumer Experience business highlights:

- Expanded TiVo Stream 4K footprint through additional retail distribution at Best Buy, Target and QVC.
- YouTube TV and RCN distributed TiVo Stream 4Ks as part of their marketing efforts to select subscribers.
- Expanded content on our TiVo+ ad-supported video service offering, which now includes 160 free ad-supported television (FAST) channels and over 100,000 advertising video on demand (AVOD) assets.

Connected Car business highlights:

- Delivered HD Radio on 15 new 2021 car models in North America.
- Engaged with 20 OEMs for DTS AutoStage and 14 OEMs for DTS AutoSense for launches in 2022 through 2026.
- Launching DTS AutoSense in BMW vehicles later this summer.

Pay-TV business highlights:

- Signed a license agreement with Hotwire Communications, one of the nation’s leading fiber optics telecommunications providers, for the TiVo IPTV platform.
- Acquired MobiTV assets to broaden and further solidify TiVo’s position in the IPTV Pay-TV market.
- Entered into new and more favorable agreements with nearly all MobiTV customers. These customers will benefit from continued investment in the platform and Xperi’s commitment to supporting operators with a broad portfolio of IPTV solutions.

Capital Allocation

During the quarter, the Company paid down \$50.6 million in debt and repriced the remaining debt, extending the maturity and lowering future borrowing costs. In addition, the Company bought back \$10 million of common stock.

On June 15, 2021, the Company paid \$5.3 million to stockholders of record on May 25, 2021, for a quarterly cash dividend of \$0.05 per share of common stock.

On July 26, 2021, the Board of Directors declared a dividend of \$0.05 per share, payable on September 14, 2021, to stockholders of record on August 24, 2021.

Business Outlook

The Company is lowering its interest expense outlook to \$39 million from \$43 million and reaffirms the remainder of its full year outlook:

Category	FY 2021 GAAP Outlook	FY 2021 Non-GAAP Outlook

Safe Harbor Statement

This press release contains “forward-looking statements” within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on the Company’s current expectations, estimates and projections about the Company’s financial results, forecasts, and business outlook, and anticipated growth in the Company’s business segments. In this context, forward-looking statements often address expected future business, financial performance and financial condition, and often contain words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “could,” “seek,” “see,” “will,” “may,” “would,” “might,” “potentially,” “estimate,” “continue,” “expect,” “target,” similar expressions or the negatives of these words or other comparable terminology that convey uncertainty of future events or outcomes. All forward-looking statements by their nature address matters that involve risks and uncertainties, many of which are beyond our control, and are not guarantees of future results, such as statements about the anticipated benefits of the transaction. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements. Accordingly, there are or will be important factors that could cause actual results to differ materially from those indicated in such statements and, therefore, you should not place undue reliance on any such statements and caution must be exercised in relying on forward-looking statements. Important risk factors that may cause such a difference include, but are not limited to: challenges in integration of Xperi and TiVo operations after the merger, anticipated tax treatment, unforeseen liabilities, future capital expenditures, revenue, cost savings, expenses, earnings, synergies, economic performance, indebtedness, financial condition, losses, future prospects, business strategies, and expansion and growth of the Company’s businesses; failure to realize the anticipated benefits of the recent merger with TiVo; the Company’s ability to implement its business strategy; pricing trends, including the Company’s ability to achieve economies of scale; the ability of the Company to retain and hire key personnel; potential adverse reactions or changes to business relationships resulting from the merger with TiVo; uncertainty as to the long-term value of the Company’s common stock; legislative, regulatory and economic developments affecting the Company’s business; general economic and market developments and conditions; failure to remediate the material weaknesses in our internal control over financial reporting; the evolving legal, regulatory and tax regimes under which the Company operates; unpredictability and severity of catastrophic events, including, but not limited to, acts of terrorism or outbreak of war or hostilities, and natural disasters; the extent to which the COVID-19 pandemic continues to have an adverse impact on our business, results of operations, and financial condition will depend on future developments, including measures taken in response to the pandemic, which are highly uncertain and cannot be predicted; the impact of semiconductor supply chain constraints on our customers; and any plans regarding

a potential separation of the combined business. These risks, as well as other risks associated with the business, are more fully discussed in the Company's filings with the U.S. Securities and Exchange Commission ("SEC"), including the Company's Annual Report on Form 10-K. While the list of factors presented here is, and the list of factors presented in the Company's filings with the SEC are, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward-looking statements. Consequences of material differences in results as compared with those anticipated in the forward-looking statements could include, among other things, business disruption, operational problems, financial loss, legal liability to third parties and similar risks, any of which could have a material adverse effect on the Company's consolidated financial condition, results of operations, liquidity or trading price of common stock. The Company does not assume any obligation to publicly provide revisions or updates to any forward-looking statements, whether as a result of new information, future developments or otherwise, should circumstances change, except as otherwise required by securities and other applicable laws.

All other company, brand and product names may be trademarks or registered trademarks of their respective companies.

Non-GAAP Financial Measures

In addition to disclosing financial results calculated in accordance with U.S. Generally Accepted Accounting Principles (GAAP), the Company's earnings release contains non-GAAP financial measures adjusted for either one-time or ongoing non-cash acquired intangibles amortization charges; costs related to actual or planned business combinations including transaction fees, integration costs, severance, facility closures, and retention bonuses; separation costs; all forms of stock-based compensation; loss on debt extinguishment; expensed debt refinancing costs; realized and unrealized gains or losses on marketable equity securities and associated tax effects. Management believes that the non-GAAP measures used in this release provide investors with important perspectives into the Company's ongoing business and financial performance, and provide a better understanding of our core operating results reflecting our normal business operations. The non-GAAP financial measures disclosed by the Company should not be considered a substitute for, or superior to, financial measures calculated in accordance with GAAP. Our use of non-GAAP financial measures has certain limitations in that the non-GAAP financial measures we use may not be directly comparable to those reported by other companies. For example, the terms used in this press release, such as non-GAAP Operating Expenses, do not have a standardized meaning. Other companies may use the same or similarly named measures, but exclude different items, which may not provide investors with a comparable view of our performance in relation to other companies. We seek to compensate for the limitation of our non-GAAP presentation by providing a detailed reconciliation of the non-GAAP financial measures to the most directly comparable U.S. GAAP measures in the tables attached hereto. Investors are encouraged to review the related U.S. GAAP financial measures and the reconciliation of these non-GAAP financial measures to their most directly comparable U.S. GAAP financial measures. All financial data is presented on a GAAP basis except where the Company indicates its presentation is on a non-GAAP basis.

Set forth below are reconciliations of the Company's reported and forecasted GAAP to non-GAAP financial metrics.
